## Healthy Packed Lunches

We would like to remind parents that packed lunches brought into school should be healthy and contain an element of fruit and vegetables.

Unfortunately, there has been an increase of children bringing multiple and excessive unhealthy items in their packed lunches. Please be reminded that chocolate bars and fizzy drinks are not allowed. Children with excessive unhealthy items such as these might be asked to take them back home and be offered an alternative from the school kitchen. We all want the children to be happy and healthy and ready for their afternoon of learning!

Parents, please remember that our phone line is only to be answered between 8:20am and 4:00pm. We endeavour to answer all calls between these times but sometimes our office staff are busy dealing with other issues. Calls outside of these hours will not be answered.

We would like to signpost any separated parents/carers that may be struggling right now to the benefits of resources available to them on 'Separating Better'. The main resource being the improvement of communication and better management of their relationships to reduce conflict around their children.

You can find more about the free to use App on the following link:

## Everyday Counts

Excellent attendance is really important. It supports children's progress across the year, helps them learn new routines, ensures there are no gaps in their learning, maintains friendships and helps children thrive in school. That is why we aim for every child to have attendance above 96% to help them achieve in school. Each week the class with the highest attendance will win 15 minutes of special reward time.
